Enhanced with anti-oxidant sesame oil and witch hazel water to protect against dryness, this gel gently eliminates impurities and removes all types of makeup—even waterproof cosmetics—without leaving a greasy film. When combined with water, its amazing texture becomes a milky film and leaves the skin infinitely softer after each use.	All the detoxifying (toxins, pollution) and purifying power of binchotan charcoal and zeolite for clean skin and a pure, clear complexion.	Amazing crisp foam texture in this 2-in-1 product that combines the remineralising, purifying power of Brazilian clay with the gentle exfoliation of Icelandic volcanic powders to refine the skin’s texture and restore its softness and radiance.	Discover the incredible reparative and regenerating power of seaweed extracts from the Iroise Sea combined with remineralising trace elements (copper, selenium, magnesium, zinc, manganese and more). The skin regains its suppleness and comfort and is left feeling softer and regenerated.	Enjoy new, deeply cleansed skin with the combined exfoliating power of Icelandic volcanic powder (basalt) and lava powder (rhyolite). This scrub leaves the skin soft, clean and fresh.	The healthy glow solution! This silky, non-greasy oil is rich in sesame oil, citrus extracts and vitamins A, C and E with rejuvenating and toning anti-oxidant properties. The skin is left feeling soft, fresh and radiant, as if reawakened!	This silky, non-greasy oil is a genuine cocktail of oils known for their restructuring and anti-ageing properties, including rose hip, tamanu and macadamia oil . Intensely nourished and regenerated, the skin appears denser, firmer and visibly younger.	This light oil packs all the powerful soothing properties of tamanu (a French Polynesian sacred oil known for calming irritation and regenerating the skin), along with Sacha Inchi oil , which is rich in omega 3, 6 and 9 . It soothes the skin, evens out the complexion and visibly reduces redness.
Use Massage directly onto dry skin with the top of the fingers (no cotton), lather with a small amount of water and then rinse off.	Use <i>For normal to oily skin:</i> refreshing effect. Mix 2 spoons of powder and 1 spoon of water. <i>For sensitive skin:</i> warming effect. Mix 2 spoons of powder and 1 spoon of Soothing Face Oil. Leave on for 5 minutes. Rinse.	Use Mix 2 spoons of powder and 2 spoons of water. Apply in circular motions, focusing on the thicker areas of skin (sides of the nose, forehead). Leave on for 5 minutes. Rinse.	Use <i>For dry or dehydrated skin:</i> Mix 2 spoons of powder and 2 spoons of water. <i>For very dry or very tired skin:</i> Mix 2 spoons of powder, 1 spoon of water and 1 spoon of reparative face oil or polyvitamin face oil. Leave on for 5 minutes. Rinse.	Use <i>For an intensive body scrub:</i> Mix equal parts powder and water. Apply in large circular motions. <i>For a full body scrub:</i> Mix twice as much water as powder. <i>For the face:</i> Mix 2 spoons of powder, 1 spoon of water and 1 spoon of Deep Nature face oil. Apply in large circular motions. Avoid the area around the eyes and mouth. Rinse.	Go green! Use a Konjac sponge to remove masks or scrubs. This all-natural, reusable and biodegradable sponge completely eliminates all residue, gently exfoliates and stimulates micro-circulation.	*This product’s nutty scent comes exclusively from tamanu oil, a guarantee of its effectiveness and naturalness.	*This product’s nutty scent comes exclusively from tamanu oil, a guarantee of its effectiveness and naturalness.

Light and easily blended, this moisturising cream is absorbed in no time. **Water from beneath the Argentière glacier** and **Iceland moss** are rich in **essential trace elements (silicon and calcium)** that strengthen the skin and improve its resistance to external aggressions and ageing.

Perfectly moisturised, the skin is left glowing and incredibly soft.

A nourishing, moisturising cream to protect your skin from harsh winter elements, this product leaves no oily residue and is immediately absorbed for glowing, comfortable and velvety skin.

Its benefits include **Argentièresubglacial water and anti-oxidant vitamins E, B3 and C** to restore the skin's elasticity, even tone and radiance.

Oils

Each oil can be used alone before applying cream or mixed with creams or masks for an added **skincare benefit: soothing, reparative, anti-ageing or radiance booster.**

Creams

Each cream comes with a small individual jar and a spatula so you can make your own customised product:

Lacklustre skin? Add a few drops of Revitalising Polyvitamin Facial Oil to a dab of cream in the jar.

Need a regenerating night cream? Use Intense Reparative Face Oil.

Tight, red skin? Use Express Soothing Face Oil.

Revitalising massage and body oil

This toning and refreshing massage and body oil is a favourite among athletes, both before and after exercise. **Mint, lavandin and sweet orange essential oils** boost the calming and relaxing effects of the massage. They are also excellent for combating fatigue.

Nourished and regenerated by **sesame and grape seed oils** rich in essential fatty acids and vitamins A and E, the skin is left glowing and feeling supple and comfortable.

Relaxing massage and body care

Made from **sesame and grape seed oils** rich in essential fatty acids and vitamins A and E, known for their nourishing and regenerating anti-oxidant properties, this massage and body oil is a true escape. A fresh scent with **marine and bergamot notes**, supported by an accord of **tiare flower** and softened by a base of **white musk** for a sensation of softness. This fine, light-textured oil quickly penetrates the skin, leaving it glowing, supple and comfortable.

No parabens or phenoxyethanol

A light-textured non-greasy sun cream with a very high UVA/UVB protection factor, with **anti-oxidant olive polyphenols**, recognized for their anti-ageing properties.

Its formulation contains ingredients with optimum biodegradability and has low toxicity to best **preserve the environment and corals.**
